

Frei Fabreti - Vinde Esperito de Deus

Tom: C

Vinde espírito de deus, e enchei os corações
 Dos fiéis com vossos dons
 Acendei neles o amor com um fogo abrasador
 Vos pedimos ó senhor
 E cantaremos aleluia
 E a nossa terra renovada ficará

Se o vosso espírito senhor nos enviar

Vós unistes tantas gentes, tantas línguas diferentes
 Numa fé, na unidade
 Prá buscar sempre a verdade e servir o vosso reino
 Com a mesma caridade
 E cantaremos aleluia
 E a nossa terra renovada ficará
 Se o vosso espírito senhor nos enviar
