

Frei Telles Ramon - Anunciai Com Gritos de Alegria!

tom: G

Anunciai com gritos de alegria
 Proclamai aos confins de toda Terra
 O Senhor nos libertou, aleluia
 O Senhor nos libertou, aleluia

A escuridão passou
 A luz do Sol surgiu
 O Cristo, nosso irmão
 Seu povo redimiu!

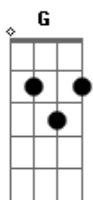

A nova lei do amor

Conduz o povo Seu
 Vivendo a lei do amor
 Por todos nós se deu!

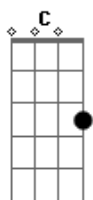

Por sua ressurreição
 Cantamos seu amor
 Libertos no poder
 Das garras do opressor

Cantemos 'Aleluia'
 Ao que venceu o mal
 Ao que do céu nos vem
 Com poder triunfal
