Capostrate na 2ª casa

Intro: Em C G G

When the fever's gone^{Em}
 And the rose to dust^C
 I touchdown Sunday^G
 To tie the loose ends up^G
 With a pocket full of^{Em}
 That gypsy stuff^C
 I heard you calling me, calling me, calling me^G
 Through the dissonance^G
 I've been known to run^{Em}
 Just to feel the rush^C
 But the dying sun^G
 Illuminates so much^G

It's hard to see beyond what's in sight^{Em}^C
 But when you tilt the light I realize^G^G

For 1000 nights^{Em}
 I've been a restless soul^C
 Just wasting time^G
 Digging up fool's gold^G
 It took a 1000 nights^{Em}
 Being on my own^C
 For me to find^G
 It was all fool's gold

(G)

Ooh ooh ooh ooh ooh ooh ooh ooh ooh^{Em}^C
 Ooh ooh ooh ooh ooh ooh ooh ooh ooh^G^G

I felt the fever on^{Em}
 But couldn't taste the fruit^C
 There's a bulletproof bond^G
 Between meaning and you^G

It's hard to see beyond what's in sight^{Em}^C
 But when you tilt the light I realize^G^G
