C
[intro]

F7M **G**
Every time I think of you
Em **F**
I get a shot right through into a bolt of blue
F **G**
It's no problem of mine but it's a problem I find
Em **F** **F(#4)**
Living a life that I can't leave behind

F **G**
There's no sense in telling me
Em **F**
The wisdom of a fool won't set you free
F **G**
But that's the way that it goes and it's what nobody knows
Em **F**
And every day my confusion grows

F7M **G**
Every time I see you falling
Em **F** **F(#4)**
I get down on my knees and pray
F **F(#4)** **G**
I'm waiting for that final moment
Em **F**
You say the words that I can't say

C
[instr.]
I feel fine and I feel good
I feel like I never should
Whenever I get this way I just don't know what to say
Why can't we be ourselves like we were yesterday

I'm not sure what this could mean
I don't think you're what you seem
I do admit to myself that if I hurt someone else
Then I'd never see just what we're meant to be

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment

You say the words that I can't say
Every time I see you falling
I'll get down on my knees and pray
I'm waiting for that final moment
You say the words that I can't say [end on C]

TAB:
This is for the first verse and chorus; the second is similar.
