

## **Frente - Bizarre Love Triangle**

```
Tom: Db
                                                               You say the words that I can't say
                                            C )
                                                               Every time I see you falling
(com acordes na forma de
Capostraste na 1ª casa
                                                               I'll get down on my knees and pray
[Capo 1.]
                                                               I'm waiting for that final moment
[See tab at end for chord fingerings.]
                                                               You say the words that I can't say [end on C]
[intro]
                                                               TAB:
 Every time I think of you
                                                               This is for the first verse and chorus; the second is similar.
       Fm
I get a shot right through into a bolt of blue
It's no problem of mine but it's a problem I find
                                  F(#4)
                                                               [intro]
Living a life that I can't leave behind
 There's no sense in telling me
                                                                Every time I think of you I get a shot right through into a
   Em
The wisdom of a fool won't set you free
                                                               bolt of blue
But that's the way that it goes and it's what nobody knows
   Em
And every day my confusion grows
                                                                It's no problem of mine but it's a problem I find,
                                                                                                  living a life that I can't
          G
                                                               leave behind
Every time I see you falling
                 F - F(#4)
I get down on my knees and pray
  F - F(#4)
                   G
I'm waiting for that final moment
                                                                There's no sense in telling me, the wisdom of a fool won't
                                                               set you free
 Em
                       F
You say the words that I can't say
[instr.]
                                                                But that's the way that it goes and it's what nobody knows,
I feel fine and I feel good
                                                                                                  and every day my confusion
I feel like I never should
                                                               arows
Whenever I get this way I just don't know what to say
Why can't we be ourselves like we were yesterday
I'm not sure what this could mean
I don't think you're what you seem
                                                                Every time I see you falling, I get down on my knees and pray
I do admit to myself that if I hurt someone else
Then I'd never see just what we're meant to be
Every time I see you falling
I get down on my knees and pray
                                                               I'm waiting for that final moment you say the words that I
I'm waiting for that final moment
```
