C
 [intro]

F G
 Every time I think of you
 Em F
 I get a shot right through into a bolt of blue
 F G
 It's no problem of mine but it's a problem I find
 Em F - F(#4)
 Living a life that I can't leave behind
 F G
 There's no sense in telling me
 Em F
 The wisdom of a fool won't set you free
 F G
 But that's the way that it goes and it's what nobody knows
 Em F
 And every day my confusion grows

F G
 Every time I see you falling
 Em F - F(#4)
 I get down on my knees and pray
 F - F(#4) G
 I'm waiting for that final moment
 Em F
 You say the words that I can't say

C
 [instr.]

I feel fine and I feel good
 I feel like I never should
 Whenever I get this way I just don't know what to say
 Why can't we be ourselves like we were yesterday
 I'm not sure what this could mean
 I don't think you're what you seem
 I do admit to myself that if I hurt someone else
 Then I'd never see just what we're meant to be
 Every time I see you falling
 I get down on my knees and pray
 I'm waiting for that final moment

You say the words that I can't say
 Every time I see you falling
 I'll get down on my knees and pray
 I'm waiting for that final moment
 You say the words that I can't say [end on C]

TAB:

This is for the first verse and chorus; the second is similar.
