

# Frente - Bizarre Love Triangle

tom:

C  
Every time I think of you

C F7M G  
I get a shot right through  
Into a bolt of blue

G  
But it's a problem I find

Em F  
Living the life that I can't leave behind

F G  
There's no sense in telling me

Em F  
The wisdom of a fool won't set you free

F  
But that's the way that it goes

G  
And it's what nobody knows

Em F  
And every day my confusion grows

F G  
Every time I see you falling

Em F  
I get down on my knees and pray

F G  
I'm waiting for the final moment

Em F  
You say the words that I can't say

C F7M G

I feel fine and I feel good

Em F  
I feel like I never should

F  
Whenever I get this way

G  
I just don't know what to say

Em F  
Why can't we be ourselves like we were yesterday

F G  
I'm not sure what this could mean

Em F  
I don't think you're what you seem

F  
I do admit to myself

G  
That if I hurt someone else

Em F  
Then I'll never see just what we're meant to be

F G  
Every time I see you falling

Em F  
I get down on my knees and pray

F G  
I'm waiting for the final moment

Em F  
You say the words that I can't say

F G  
Every time I see you falling

Em F  
I get down on my knees and pray

F G  
I'm waiting for the final moment

Em F C  
You say the words that I can't say
