

Frente - Bizarre Love Triangle

```
tom:
           C F7M
  Every time I think of you
        Em
I get a shot right through
Into a bolt of blue
But it's a problem I find
Living the life that I can't leave behind
There's no sense in telling me
The wisdom of a fool won't set you free
But that's the way that it goes
And it's what nobody knows
And every day my confusion grows
Every time I see you falling
I get down on my knees and pray
I'm waiting for the final moment
You say the words that I can't say
```

```
I feel fine and I feel good
    I feel like I never should
Whenever I get this way
 I just don't know what to say
                         Em
Why can't we be ourselves like we were yesterday
 I'm not sure what this could mean
I don't think you're what you seem
I do admit to myself
That if I hurt someone else
Then I'll never see just what we're meant to be
 Every time I see you falling
 I get down on my knees and pray
 I'm waiting for the final moment
 You say the words that I can't say
 Every time I see you falling
 I get down on my knees and pray
I'm waiting for the final moment % \left( 1\right) =\left( 1\right) \left( 1\right)
