

Freya Ridings - Blackout

Tom: Gb

If you'd have just let me in
 Who knows what could've been
 They tell me to forget But I don't want to
 Your face is all I seem to see

How can I blackout you?

()

Don't wanna hear my friends say
 "Girl you're better off anyway"
 Cause I know that's not true
 I want you
 Wanted you to be the one who stayed

How can I blackout you?
 Youuuu
 How can I blackout you?
 Youuuu

How can I blackout you?

(B)

Pins and needles in my lips
 No anesthetic could
 Make me numb to you

How can I blackout youuuu?

You, it's you, it's you

How can I blackout youuuu?
 Youuuu Youuuu

How can I blackout youuuu?

You, it's you, it's you

How can I blackout youuuu?
 Youuuu Youuuu

How can I blackout youuuu?

Youuuu Youuuu

It's so raise been you
