

Freya Ridings - Elephant

tom:
 Capostraste na 1ª casa (forma dos acordes no tom de G)

[Primeira Parte]

Old love, you're breaking me up
 Burn, burning like sun
 I don't forget, like an elephant
 You're imprinted on my heart
 I don't forget, this sun don't set
 For me

[Refrão]

Don't leave me here, don't leave me here
 Don't leave me here, don't leave me here
 'Cause I can't forget, I can't forget
 It's burning, still burning

[Segunda Parte]

Oh I should have known, I blister alone
 While you find your own shade
 I don't forget, this sun don't set
 For me

[Refrão]

Don't leave me here, don't leave me here
 Don't leave me here, don't leave me here
 'Cause I can't forget, I can't forget
 It's burning, still burning
 Everywhere I turn, every scar that burns
 God, I know that love
 I can't forget, I can't forget
 It's burning, still burning
 'Cause I can't forget, I can't forget
 This burning, still burning
