

# Freya Ridings - Elephant

tom:  
 Capostrate na 1ª casa (forma dos acordes no tom de G)

## [Primeira Parte]

Old love, you're breaking me up  
 Burn, burning like sun  
 I don't forget, like an elephant  
 You're imprinted on my heart  
 I don't forget, this sun don't set  
 For me

## [Refrão]

Don't leave me here, don't leave me here  
 Don't leave me here, don't leave me here  
 'Cause I can't forget, I can't forget  
 It's burning, still burning

## [Segunda Parte]

Oh I should have known, I blister alone  
 While you find your own shade  
 I don't forget, this sun don't set  
 For me

## [Refrão]

Don't leave me here, don't leave me here  
 Don't leave me here, don't leave me here  
 'Cause I can't forget, I can't forget  
 It's burning, still burning  
 Everywhere I turn, every scar that burns  
 God, I know that love  
 I can't forget, I can't forget  
 It's burning, still burning  
 'Cause I can't forget, I can't forget  
 This burning, still burning
