

Front Porch Step - I Won't Say That I'm Okay

Tom: Ab

(com acordes na forma de
Capostrate na 6ª casa
Intro: D G D G

[Verso 1]

I won't hold my tongue.
I'm not okay without you here.
I guess what's done is done.
I just feel so exposed without you near.

[Pausa]

And I won't say that I'm okay,
'Cause you taught me not to lie,
So know that I'll miss you everyday.

[Pré-Refrão]

You always taught me to be good,
And always do my best to be selfless
But I know that God is holding you
And I am so damn jealous,
'Cause I miss your arms around me
And the way you make me laugh.
Now I'm stuck inside this prison that says
You're never coming back.

[Refrão]

So I'm sitting in my room
As I try to write this song.
I'm so sorry that it's not good enough.
It's just that everything seems wrong,
And I keep bursting into tears
Because the pain won't go away,
Because the father took my best friend
And said she cannot come out to play
Anymore.

[Refrão]

I won't hold my tongue.
I'm not okay without you here.
I won't hold my tongue.
I'm not okay without you here.
I won't hold my tongue.
I'm not okay without you here.

[Verso 2]

I guess what's done is done.
I just feel so exposed without you near.

[Pausa]

And I won't say that I'm okay,
'Cause you taught me not to lie,
So know that I'll miss you everyday.

[Pré-Refrão]

You always taught me to be good,
And always do my best to be selfless
But I know that God is holding you
And I am so damn jealous,
'Cause I miss your arms around me
And the way you make me laugh.
And now I'm stuck inside this prison that says
You're never coming back.

[Refrão]

And now I'm sitting in my room
As I try to write this song.
I'm so sorry that it's not good enough.
It's just that everything seems wrong,
But I will try my best to be good
So I can pay my way,
Straight through the pearly gates
Into your arms so we can play
Once more.

[Outro]

(Tocar D G repetidamente até o final)

Grandma, Uh, I love God with all my heart
And uh, The only reason that isn't
Stated in my life is because of you
And I really don't understand it God
That you introduced me to
What would take you away so fast
When you were the only person
That ever understood a thing I ever said
And I really don't understand
How to deal with this anymore
And, I'm just really not okay with this

And I miss you and I understand you're in heaven

But I don't want to be selfish ^D

I don't miss you to be in heaven

I want you to be back down here

I don't want you to be there

I want you to be here ^G

What am I supposed to do now

That's all I'm asking ^{G C G C} fade out...
