 D          A          Bm
And if I tremble at the sight of you
     G           G   D
It's not because I'm cold
               A
It's because I'm staring at
     Bm           G           G   D

The girl I want to love me when I'm old
               A
I swear with all my heart
 Bm          G           G    D
Every word I write for you is true
               A          Bm                 G  G
And I won't hesitate to give my all for you

 D       A         Bm
And if I die before I wake
         G             G
In the night just look above
D          A                  Bm
With every star that greets your face
       G            G
I am giving you my love

 D       A         Bm
And if I die before I wake
         G             G
In the night just look above
D          A                  Bm
With every star that greets your face
       G            G
I am giving you my love
