

# Frozen - Uma Aventura Congelante - Love Is An Open Door

Tom: **D**  
Intro: **D D G7M A**

**D D G7M A**  
All my life has been a series of doors in my face  
And then suddenly I bump into you (I was thinking the same thing! 'Cause like)  
I've been searching my whole life to find my own place  
And maybe it's the party talking or the chocolate fondue

**Bm**  
But with you (But with you)  
**D**  
I found my place (I see your face)  
**E Gm7**  
And it's nothing like I've ever known before

**D Gbm E**  
Love is an open door  
**Gm7 D Gbm E**  
Love is an open door  
Love is an open door with you with you with you with you  
**D D G7M A**

Love is an open door

**E E A7M**  
I mean it's crazy (What?) we finish each other's sandwiches  
(That's what I was gonna say!)  
I've never met someone who thinks just like me (Jinx! Jinx again!)  
Our mental synchronization can have but one explanation  
You and I were just meant to be

**Dbm**  
Say goodbye (Say goodbye)  
**E**  
To the pain of the past  
**Gb Am7**  
We don't have to feel it anymore

**D Gbm E**  
Love is an open door  
**Gm7 D Gbm E**  
Love is an open door  
Love is an open door  
Life can be so much more with you with you with you with you  
**D D G7M A**  
Love is an open door
