

Frozen - Uma Aventura Congelante - Love Is An Open Door

Tom: A

(com acordes na forma de G)

Capostrate na 2ª casa

Intro: C Em F G C Em F G

All my life has been a series of doors in my face
 And then suddenly I bump into you
 I've been searching my whole life to find my own place
 And maybe it's the party talking or the chocolate fondue
 But with you
 But with you
 I found my place
 I see your face
 And it's nothing like I've ever known before

Love is an open door

Love is an open door

Love is an open door

Love is an open door

With you

With you

With you

With you

Love is an open door

(C Em F G)

I mean it's crazy

We finish each other's (that's what I was gonna say!) Sandwiches

I've never met someone

Who thinks so much like me

Our mental synchronization

Can have but one explanation

You Were

And I Just

Meant to be

Say goodbye

Say goodbye

To the pain of the past

We don't have to feel it anymore

Love is an open door

Love is an open door

Love is an open door

Life can be so much more

With you

With you

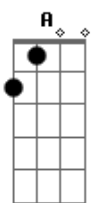

With you

With you

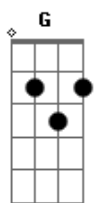

Love is an open door

Door
