

FTampa - Stay(ft Amanda Wilson)

Tom: C

I know you do
 I know you want me like I want you
 But we fell apart
 When everything was getting good

Winning the battles
 But losing the war
 Should've look at what we're fighting for
 I don't wanna lose you
 I can't be without
 Calling the truth and putting weapons down
 And if you stay
 Nobody does it like me

Let me show you, please stay
 I can't get over you
 You can't get over me

(C)

Nobody does it like me

Let me show you, please
 I can't get over you
 You can't get over me

I know you do

I know you want me like I want you
 But we fell apart
 When everything was getting good

Winning the battles
 But losing the war
 Should've look at what we're fighting for
 I don't wanna lose you
 I can't be without
 Calling the truth and putting weapons down
 And if you stay
 Nobody does it like me

Let me show you, please stay
 I can't get over you
 You can't get over me
 (C)

Nobody does it like me
 You can't get over me

And if you stay
 Nobody does it like me

Let me show you, please stay
 I can't get over you
 You can't get over me
 (C)

Nobody does it like me
