 Surrounded by jealousy and death

 Dragged underneath, separate from you all

 This time i've lost my own return  
 G B Em C

## Acordes

In spite of everything i've learned  
 G B Em C  
 I hid my tracks, spit out all my air  
 G B Em C  
 Slipped into cracks, stripped of all my cares

( G D )

G B Em C  
 I'm so tired sheep are counting me  
 G B Em C  
 No more struggle, no more energy  
 G B Em C  
 No more patient and you can write that down  
 G B Em C  
 It's all too crazy and i'm not sticking round
