

Fun. - Carry On

```
Tom: E
                                                              And it's nice to know
Intro:
                                                                        Gbm
Riff 1:
                                                              when i was left for dead
                                                              I was found and I know not these streets
Intro: E A E A E A E A
                                                              I am not the ghost you want to be
Verso 1:
                                                              Refrão:
Well I woke up to the sound of silence and guns
                                                              If you're lost and alone, or you're sinkin like a stone
were cutting like knives in a fist fight
                                                                   E A B
And I found you with a bottle of wine
                                                     E (Riff May your past be the sound of your feet upon the ground
your head in the curtains and heart like the 4th of July
Ponte 1:
                                                              ohhhhhhhhhhhhh
You swore and said we are not
           Gbm
                                                              Ponte:
we are not shining stars
    Е
This i know
                                                              My head is on fire, but my legs they're fine
cause i never said we are
                                                              Cause after all, they are mine
                                                              Lay your clothes down on the floor, close the door, hold the
Though I've never been through hell like that
I've closed enough windows to know you can never look back
                                                              show me how, no one's ever gonna stop us now
Refrão:
                                                              (E Gbm E A)
                                                              (E Gbm E A)
If you're lost and alone, or you're sinkin like a stone
    Е
                                                              Pré-Refrão:
Carry on
                                                                                  Gbm
May your past be the sound of your feet upon the ground
                                                              Cause we are, we are shining stars
                                                              We are invincible, we are who we are
               EAEA
                                                              On our darkest day, when we're miles away
Carry on carry on
Verso 2:
                                                              Sun will come, we will find our way home
                                                              Refrão:
So I met up with some friends at the edge of the night
at a bar off 75
                                                              If you're lost and alone, or you're sinkin like a stone
                                                                  E A B
And we talked and talked about how our parents will die
                                                              Carry on
All our neighbors and wives
                                                              May your past be the sound of your feet upon the ground
                                                              Carry on
Pré-Refrão:
But i'd like to think
                                                              Outro:
     Gbm
I can cheat it all
                                                              Carry on carry on
to make up for the times i've been cheated on
                                                              Carry on carry on
