

# Fun. - I Wanna Be The One

Tom: C

I put my hands to the table and dare say the love of my life  
 And your brother with his best friend  
 Shares a name I'm gonna need  
 Really couldn't bring me down

For everything you lost and all you overcome  
 I wanna be the one to put in a song  
 Take every single tear for all the world to hear  
 I wanna be the one to put it in a song and make it last forever  
 Clever comes in truth when truth begets the past  
 Its sends its call out to the moon  
 And the moon can see the beauty that surrounds your heart as it pounds  
 It starts the beat inspiring me until I make the sound  
 ( F C F C )

I wanna be the one, I wanna be one, I wanna be the one, no-no no-no  
 For everything you lost and all you overcome  
 I wanna be the one to put in a song  
 Take every single tear for all the world to hear  
 I wanna be the one to put it in a song

Pa-ra Pa  
 Cigarettes are raining hard on the Upper East Side  
 She brings me a cake we celebrate I have arrived  
 And I know that it's been sang before but you're my human holiday
