

# Fun. - Out On The Town

Tom: C

I set all my regrets on fire  
 Cause I know I'll never take the time  
 To unpack my missteps and call all of our friends  
 I figure they would take your side

I make the bed, just not that well  
 Your name comes up a lot  
 When I talk to my mom  
 Oh, I think she can tell

I was out on the town  
 So I came to your window last night  
 I tried not to throw stones  
 But I wanted to come inside  
 Now I'm causing a scene, thinking you need a reason to smile  
 Oh no, what have I done?  
 There's no one to keep me warm

So maybe I should put up a fight  
 I'll call them back and borrow a box knife  
 So I can learn to live with all the stupid s I've been doing  
 since '99

And I know I could be more clever  
 And I know I could be more strong  
 But I'm waiting for the day you come back and say  
 "Hey, maybe I should change my mind"

I drink a lot  
 I'm not sure if that's new  
 But these days when I wake up from a night I forgot

I just wish that it never came true

I was out on the town  
 So I came to your window last night  
 I tried not to throw stones  
 But I wanted to come inside  
 Now I'm causing a scene, thinking you need a reason to smile  
 Oh no, what have I done?

There's no one to keep me warm

And I know I could be more clever  
 And I know I could be more strong  
 And I know I could be more clever  
 And I know I could be more clever  
 (C, Am, F, G )

I knew there would come a day when all was said and done  
 (And I know I could be more clever)  
 Everything I was is everything but gone  
 (And I know I could be more strong)  
 All my big mistakes are bouncing off your wall  
 (And I know I could be more clever)  
 The bottles never break, the sorrow never comes  
 (And I know I could be more clever)  
 So come on let me in, I will be the sun  
 (And I know I could be more clever)  
 I will wake you up, I am who I was  
 (And I know I could be more strong)  
 Just open up your heart, open up your heart, open up your  
 heart  
 (And I know I could be more clever)  
 And I know I could be more

I was out on the town  
 So I came to your window last night  
 I tried not to throw stones  
 But I wanted to come inside  
 Now I'm causing a scene, thinking you need a reason to smile  
 Oh no, what have I done?

There's no one to keep me warm
