Take your time coming home.

Hear the wheels as they roll.

Let your lungs fill up with smoke.

Forgive everyone.

(A A Dbm Dbm E E Dbm Dbm)

She is here and now she is...

A A Dbm Dbm E E Dbm Dbm A A Dbm Dbm E E Dbm Dbm
...home

We had plans, we can't help but make...

A A Dbm Dbm E E Dbm Dbm A A Dbm Dbm E E Dbm Dbm
...love.

It's a beautiful thing when you love somebody,

(when you love somebody)

And I love somebody.

Yeah I love somebody, home

Take your time coming home.

Hear the wheels as they roll.

Let your lungs fill up with smoke.

A A Dbm Dbm E E Dbm Dbm A A Dbm Dbm E E Dbm Dbm
Forgive everyone.

I don't think I'd been misled,

it was a rock'n'roll band,

I'm still standing,

Take your time coming home.

Home

See, of everyone who called,

Very few said "We believe in you."

The overwhelming choice said

I'm just a boy inside a voice

and if it's true, if it's true, if it's true,

then what the fuck have I been doing the last six years?

How did I end up here?

And I find love and conquer all my fears?

See, I made it out.

Out from under the sun.

And the truth is that I feel better because I've forgiven everyone.

Now I'm not scared

of a song

or the states,

or the stages.

I'm not scared.

I've got friends,

took my call,

came courageous.

Now I feel like I am home.

One more think, I keep having this dream

where I'm standing on a mountain

Looking out, on the street

I can hear kids in low-income housing singing

"We're through with causing a scene"

I don't know

I don't know

I don't know

I don't know

what it means

But I too, I'm through with causing a scene.

(intro)

She is here and now I think she's ready to go.

For every love that's lost I heard a new one comes.

So come on with me, sing along with me,

Let the wind catch your feet.

If you love somebody,

you'd better let them know.

Take your time coming home.

Take your time coming home.

Hear the wheels as they roll.

Let your lungs fill up with smoke.

Forgive everyone.

I don't think I'd been misled,

it was a rock'n'roll band,

I'm still standing,
Take your time coming home.

Take your time coming home.
