

Fundo de Quintal - A Amizade

tom:

A

La laiá, la laiá, la laiá, la laiá
 La laiá, la laiá, la laiá, la laiá... Meu amigo

Amigo, hoje a minha inspiração

Se ligou em você

E em forma de samba

Mandou lhe dizer

Tão outro argumento

Qual nesse momento

Me faz penetrar

Por toda nossa amizade

Esclarecendo a verdade

Sem medo de agir

Em nossa intimidade

Você vai me ouvir...meu amigo

Amigo, hoje a minha inspiração

Se ligou em você

E em forma de samba

Mandou lhe dizer

Tão outro argumento

Qual nesse momento

Me faz penetrar

Por toda nossa amizade

Esclarecendo a verdade

Sem medo de agir

Em nossa intimidade

Você vai me ouvir...meu amigo

Foi bem cedo na vida que eu procurei

Encontrar novos rumos num mundo melhor

Com você fique certo que jamais falhei

Pois ganhei muita força tornando maior

A amizade

Nem mesmo a força do tempo irá destruir

Somos verdade

Nem mesmo este samba de amor pode nos resumir (quero chorar)

Quero chorar o seu choro

Quero sorrir seu sorriso

Valeu por você existir, amigo

Quero chorar o seu choro

Quero sorrir seu sorriso

Valeu por você existir, amigo

La laiá, la laiá, la laiá, la laiá

Valeu por você existir, amigo
