

Fundo de Quintal - Amor dos Deuses

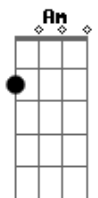

tom:

Intro: C Dm G F C

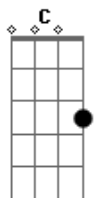

O que eu quero mesmo é ter você pra mim
 Ser a berço dessa fonte de amor tão clara
 Sonho acordado em te-la em meus braços
 Pra abrandar meus anseios
 Como um grande rio a correr pro mar
 Vou seguindo a correnteza do prazer de te amar
 Chego a pensar que estou no paraíso
 Cheio de felicidade
 Me faça crer que esse amor

É igual entre a gente
 Posso jurar pra você
 Nunca se viu tanto amor assim tão diferente
 O amor dos Deuses invejei
 Quisera eu parar o mundo agora
 Eternizando enfim o nosso sentimento
 E ao universo anunciar
 Que nada vai nos separar amor
 Queria ser a pele do seu corpo
 Pra estar junto com você a todo tempo
 E só assim realizar
 O meu desejo de te amar amor Amor
