

Fundo de Quintal - Chora menina, Chora!

Tom: C

Intro: C F C G7 C C7 F C G7 C

(Mas chora)

Chora tens motivo para chorar

Abra o peito é o jeito de libertar

O que está a te sufocar

Chora menina, chora

Quem não chora por amor

Chora menina, chora

Pra expulsar a tua dor

Porque o amor muitas vezes é cruel

Mas pode te dar o céu

As estrelas e o mar

E faz também da tristeza a alegria

Põe calor na noite fria

Faz o escuro clarear

Chora menina, chora

Quem não chora por amor

Chora menina, chora

Pra expulsar a tua dor

O desamor é amargo com fel

Quebra o pote de mel

Faz pranto derramar

Não há ninguém que jamais chorou um dia

Dor de amor é fantasia

Deixa o carnaval passar

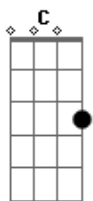

Chora menina, chora

Quem não chora por amor

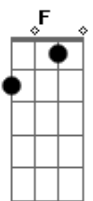

Chora menina, chora

Pra expulsar a sua dor
