

Fundo de Quintal - Doce Felicidade

Tom: F

Intro: **C**
F7 Fm Em7 A7 Dm G7 C7 G7

... Meu Deus valeu... o que você me fez achar

O alguém que eu viesse amar

E abordasse o meu coração

A perfeição deu aquele sinal que sim

Disparando dentro de mim

O alarme da paixão

Terminou meu viver na escuridão

A claridade então realçou o destino para dois

Revelou simplesmente a razão de ser

Com a expressão doce do prazer

Não tenho tempo a perder

Se ontem eu chorei hoje e sorrir

O tempo que eu perdi, vou resgatar

Lado a lado com você numa só vida

Ouviu bem minha querida

Agora eu quero é mais ser feliz

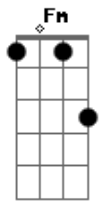

Os lenços com meus prantos já desfiz

Pra você com afeto dou todo meu amor

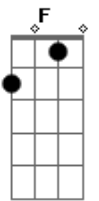

Um céu azul, toda beldade da flor

Valeu!
