

FUR - Close The Curtain

tom:

Intro: Bm Bm

[Primeira Parte]

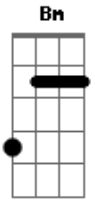

I have time to be your lover
 I don't know if I can be your friend
 All that was so familiar to me
 Now feels like I won't have again
 I always wish I had a brother
 Someone I could see inside of me
 At least I thought that I'd be a better man
 If I taught him how to really be

[Refrão]

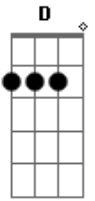

The light in life's too bright
 So I close the curtain and I wait
 Until that dark day comes
 And the feeling that it's all too late

The tired tree I used to climb
 Has lost its branches over time
 That old song I used to sing at home
 How I wish that I could just rewind

[Refrão]

The light in life's too bright
 So I close to the curtain and I wait
 Until that dark day comes
 And the feeling that it's all too late

[Terceira Parte]

I pack my bags and hope
 For a change greater than the cause
 No one would ever know
 If I left it all back in this place
