

# Fyval - Arcade

Tom: **Db**

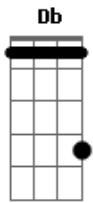

m [Intro] **Dbm A B A**

**Dbm**  
 17, a lost cause  
**A**  
 A firework and all it's flaws  
**B** **Dbm**  
 Untouchable, you wish that she was yours  
**Dbm**  
 17, you can't dance  
**A**  
 You can't drive, you don't stand a chance  
**B** **Dbm**  
 Untouchable, she's got you in a trance  
  
**A**  
 And then she whispers in your ear  
**A**

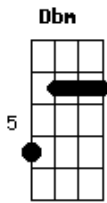

The words you never ever thought you'd get to hear

I'll meet you at the arcade baby In the neon lights  
**Dbm**  
**A**  
 I know I said maybe but it's yes tonight  
**B** **A**  
 Only 17 but you feel right to me  
**Dbm**  
 Been standing by the jukebox baby looking in your eyes  
**A**  
 I know I said maybe but I'm hypnotized  
**B** **A**  
 Only 17 but you feel right to me  
  
**Dbm**  
 17, a twisted mind  
**A**  
 A hurricane, one of a kind  
**B** **Dbm**  
 Good and bad perfectly combined
