

# Fyval - Arcade

Tom: Db

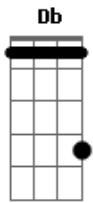

m [Intro] Dbm A B A

Dbm  
17, a lost cause  
A  
A firework and all it's flaws  
B Dbm  
Untouchable, you wish that she was yours  
Dbm  
17, you can't dance  
A  
You can't drive, you don't stand a chance  
B Dbm  
Untouchable, she's got you in a trance  
A  
And then she whispers in your ear  
A

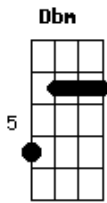

The words you never ever thought you'd get to hear

I'll meet you at the arcade baby In the neon lights  
A  
I know I said maybe but it's yes tonight  
B A  
Only 17 but you feel right to me  
Dbm  
Been standing by the jukebox baby looking in your eyes  
A  
I know I said maybe but I'm hypnotized  
B A  
Only 17 but you feel right to me  
Dbm  
17, a twisted mind  
A  
A hurricane, one of a kind  
B Dbm  
Good and bad perfectly combined
