

G Gomes - Talvez

Tom: B

m

Hoje é dia de encher a comanda da mesa

Garçom por favor trás aqui a primeira cerveja

Não consigo disfarçar o quanto estou sofrendo

Procuro na bebida a saída desse sofrimento

Talvez a culpa seja desse teu sorriso

Ou do brilho dos teus olhos quando esta comigo

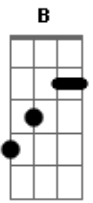

Viver sem você não tem sentido

Talvez a culpa seja mesmo minha

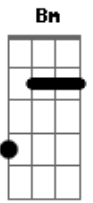

Que não me acostumei a ficar sozinha

Dependente de você bebo e amaneço o dia
