

Gab Cruzz - Mesinha

tom:

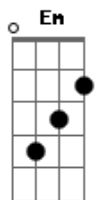

Em

Intro: Em7 Bm7 Bbm7
Am7 Em7 Bm7 E7

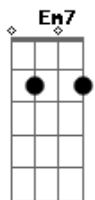

Se lembra
Quando a noite começava só depois das três
Longe de terminar
No esquentar
Sentado na esquina
Onde só talvez
Eu pudesse via__ajar
Entre política, filosofia

E piada besta
Era pra tomar uma
Já tamo na sexta
Nessa mesinha
De plástico vermelho
Sopro fumaça e desabafo
Vejo minha vida num espelho
Nessa mesinha
Do bar ali do lado
Sob a luz da lua
Abençoado pelos arcos
