

Gabi Pasche - Vento de Oyá

tom:
 A
 Vento virou a maré
 Oyá mandou seu axé
 Fez do meu lar esse mar
 Bom pra navegar

A Bm
 Orvalho que molha a flor
 Vem pra regar nosso amor
 Acalentar nossas vidas
 Pra gente se amar

Am
 Foi embora com o tempo o tormento
 Tempestade se fez calmaria
 Quando a dor fez valer seu momento

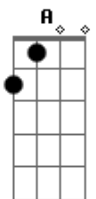

Dm
 E levou toda nossa alegria

G
 Como o vento fui forte
 Não deixei de remar
 E mudei o meu norte
 Para lhe encontrar

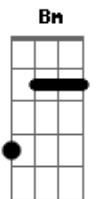

Dm G
 E no cais da saudade
 O sol voltou a brilhar
 E pôs tudo no seu lugar

A D A
 É o vento que Oyá mandou
 A D A
 Firmamento que me firmou

 Direção pro meu caminhar

 Águas calmas pra eu navegar
