

Gable Price And Friends - Heretic

tom:
 Bm (forma dos acordes no tom de Am)
 Capostraste na 2ª casa

You are the empire ^{Am}

The promised land beneath my feet
^G ^F

The contrast, that offends my firm theology
^{Am}

We tried to fit your ways
^C

In the boxes humans made
^G

So either you're a heretic
^F

Or you're the son of God

You are the relapse ^{Am}

Of quiet streams and greener paths
^G ^F

The foot-notes, of ancient words our language lacks
^{Am} ^C

We could scribble out the notes in the books that your friends wrote

Cause either everyone's a heretic ^{Em}

Or they've heard the voice of God ^{Dm}

[Chorus]
^{Dm F}
 Ooooh

Offend my mind so that I can know you more ^{Am G}

And break my heart so it looks more like yours ^{Dm F}

Offend my mind so that I can know you more ^{Am G}

Offend my mind

Offend my mind

[Interlude]
^{F Am G D}

[Verse 2]

You are the contrast ^{Am}
 A tender word and a stomach leap
^G ^F

The constant, offending Greek mythology
^{Am}

Capitalize the "G" in the name of He who bleeds
^G ^D

You really resurrect me
 N.c. ^{Am}

Tell me directly, am I just a modern pharisee
^G ^F

Do my thoughts scream a renewed mind or just words I speak
^{Am} ^C

And if you walk into my home and you make your glory known
^{Em}

Would my tears soak your feet
^{Dm}

Or would I crucify you

[Chorus]
^{Dm F}
 Ooooh

Offend my mind so that I can know you more ^{Am G}

And break my heart so it looks more like yours ^{Dm F}
^{Am G}

Offend my mind so that I can know you more

Offend my mind
^{Dm F}
 Ooooh

Offend my mind so that I can know you more ^{Am G}

And break my heart so it looks more like yours ^{Dm F}
^{Am G}

Offend my mind so that I can know you more

Offend my mind

[Bridge 1]
^F
 Ooooooh

Prophet and the priest ^A

Crucify my disbelief ^C

The divine reminds me of the hope inside me ^D

Ooooooh ^F

Counter of the stars ^A

Resurrect my broken heart ^C

The contrast soothes my mind

[Bridge 2]
^{Dm}

You're the earth that I reside in ^F

I break the rules, you break the silence ^{Am}

I see the power in your eyes ^C

You're glorious, I'm terrified ^{Dm}

A grain of sand upon an island ^F

The real estate inside your eyelids
^{Am}

I'm a tooth inside a smile ^C

I'm the soul you reconciled ^{Dm}

Would you offend my mind

Offend my mind
^F

Offend my mind

Offend my mind ^{Am}

Would you offend my mind

Offend my mind

Ooooh

[Chorus]
 N.c. ^{Am G}

Offend my mind so that I can know you more ^{Dm F}
^{Am G}

And break my heart so it looks more like yours

Offend my mind so that I can know you more

Offend my mind
^{Dm F}
 Ooooh

Offend my mind so that I can know you more ^{Am G}

And break my heart so it looks more like yours ^{Dm F}
^{Am G}

Offend my mind so that I can know you more
