

# Gable Price And Friends - Heretic

tom:  
 Bm (forma dos acordes no tom de Am )  
 Capostraste na 2ª casa

You are the empire <sup>Am</sup>

The promised land beneath my feet  
<sup>G</sup> <sup>F</sup>

The contrast, that offends my firm theology  
<sup>Am</sup>

We tried to fit your ways  
<sup>C</sup>

In the boxes humans made  
<sup>G</sup>

So either you're a heretic  
<sup>F</sup>

Or you're the son of God

You are the relapse <sup>Am</sup>

Of quiet streams and greener paths  
<sup>G</sup> <sup>F</sup>

The foot-notes, of ancient words our language lacks  
<sup>Am</sup> <sup>C</sup>

We could scribble out the notes in the books that your friends wrote

Cause either everyone's a heretic <sup>Em</sup>

Or they've heard the voice of God <sup>Dm</sup>

[Chorus]  
<sup>Dm F</sup>  
 Ooooh

Offend my mind so that I can know you more <sup>Am G</sup>

And break my heart so it looks more like yours <sup>Dm F</sup>

Offend my mind so that I can know you more <sup>Am G</sup>

Offend my mind

Offend my mind

[Interlude]  
<sup>F Am G D</sup>

[Verse 2]

You are the contrast <sup>Am</sup>  
 A tender word and a stomach leap  
<sup>G</sup> <sup>F</sup>

The constant, offending Greek mythology  
<sup>Am</sup>

Capitalize the "G" in the name of He who bleeds  
<sup>G</sup> <sup>D</sup>

You really resurrect me  
 N.c. <sup>Am</sup>

Tell me directly, am I just a modern pharisee  
<sup>G</sup> <sup>F</sup>

Do my thoughts scream a renewed mind or just words I speak  
<sup>Am</sup> <sup>C</sup>

And if you walk into my home and you make your glory known  
<sup>Em</sup>

Would my tears soak your feet  
<sup>Dm</sup>

Or would I crucify you

[Chorus]  
<sup>Dm F</sup>  
 Ooooh

Offend my mind so that I can know you more <sup>Am G</sup>

And break my heart so it looks more like yours <sup>Dm F</sup>

Am G

Offend my mind so that I can know you more

Offend my mind  
<sup>Dm F</sup>  
 Ooooh

Offend my mind so that I can know you more <sup>Am G</sup>

And break my heart so it looks more like yours <sup>Dm F</sup>

Am G

Offend my mind so that I can know you more

Offend my mind

[Bridge 1]  
<sup>F</sup>  
 Ooooooh

Prophet and the priest <sup>A</sup>

Crucify my disbelief <sup>C</sup>

The divine reminds me of the hope inside me <sup>D</sup>

<sup>F</sup>  
 Oooooh

Counter of the stars <sup>A</sup>

Resurrect my broken heart <sup>C</sup>

The contrast soothes my mind

[Bridge 2]  
<sup>Dm</sup>

You're the earth that I reside in <sup>F</sup>

I break the rules, you break the silence <sup>Am</sup>

I see the power in your eyes <sup>C</sup>

You're glorious, I'm terrified <sup>Dm</sup>

A grain of sand upon an island <sup>F</sup>

The real estate inside your eyelids  
<sup>Am</sup>

I'm a tooth inside a smile <sup>C</sup>

I'm the soul you reconciled <sup>Dm</sup>

Would you offend my mind

Offend my mind  
<sup>F</sup>

Offend my mind

Offend my mind <sup>Am</sup>

Would you offend my mind

Offend my mind

Ooooh

[Chorus]  
 N.c. <sup>Am G</sup>

Offend my mind so that I can know you more <sup>Dm F</sup>

And break my heart so it looks more like yours <sup>Am G</sup>

Offend my mind so that I can know you more

Offend my mind  
<sup>Dm F</sup>  
 Ooooh

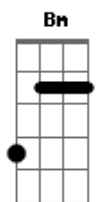

Offend my mind so that I can know you more <sup>Am G</sup>

And break my heart so it looks more like yours <sup>Dm F</sup>

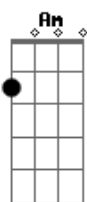

Am G

Offend my mind so that I can know you more
