

# Gable Price And Friends - Upside

tom:

**Eb** (forma dos acordes no tom de **C**)

Capostrate na 3ª casa

[Primeira Parte]

Livin' legend in my hometown

There's no crowd

In a underground estate

Fight the fight until you're

Knocked out

There's no doubt

It's all momentary gain

[Pré-Refrão]

Feel like I'm stuck in a yearbook, lost in the past

Been pushin' off heartache

Washin' dust off the windows to stare at the glass

Ignoring the heartbreak

I hope I don't wake up and it's all over

[Refrão]

Why-----why's there gotta be an upside?

Why-----why's there gotta be an upside?

You can wait 'til something hits

Or close your eyes and clench your fist, but

Why----why's ther? gotta be an upside?

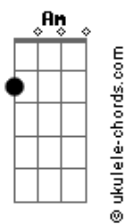

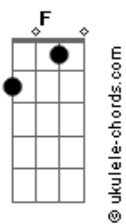

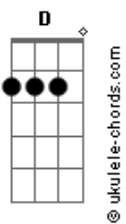

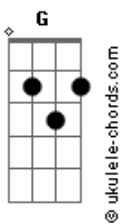

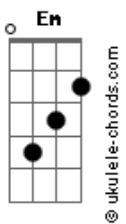

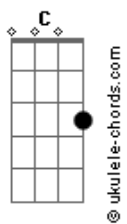

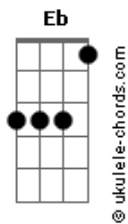

[Segunda Parte]

Enjoy the rid? until it breaks down

Are you proud of your holographic state?

Glory days until we're southbound

## Acordes

There's no clout that can compensate your pain

[Pré-Refrão]

Feel like I'm stuck in a yearbook, lost in the past

Been pushin' off heartache

Washin' dust off the windows to stare at the glass

Ignoring the heartbreak

[Refrão]

Why-----why's there gotta be an upside?

Why-----why's there gotta be an upside?

You can wait 'til something hits

Or close your eyes and clench your fist, but

Why----why's ther? gotta be an upside?

[Ponte]

I hope I don't wake up and it's all over

But one day you wake up and it's all gone

[Refrão 2]

Why-----why's there gotta be an upside?

Why-----why's there gotta be an upside?

You can pout your pretty little lips

Or close your eyes and clench your fist, but

Why can't we just enjoy the ride?

Why's there gotta be an upside?

( G C Em C )

[Final]

I hope I don't wake up and it's all

Over
