

Gabriel Blondet - Easier

```
Tom: Eb
 (forma dos acordes no tom de B )
Capostraste na 4º casa
Hey pretty lady, your moves they drive me crazy
You know I'□□m always trying to be your type
Don't know why it's hard to, get up and walk down to you
Tell you you'□□re beautiful I just can'□□t lie
You make me say ooh
I know, you know, we both know
That it could be easier, easier to love you
If you just let me show you girl, no one'□□s above you
{\tt Don'}{\tt \Box\Box}{\tt t} \ {\tt care} \ {\tt what} \ {\tt anybody} \ {\tt says}, \ {\tt we'll} \ {\tt make} \ {\tt it} \ {\tt happen}
Just need a little time and I promise you, baby
One more day to know you better
               С
       Am
And I know for sure, that it could be easier
Ah, yeah it could be easier
Ah, whoa
You keep on falling for those guys they don'□□t know
How to make you feel like a queen
Cause you'\square\squarere so damn fine, yeah you're one of a kind
Smiling back at me, can't remember how to speak
You make me say ooh
```

I know, you know, we both know That it could be easier, easier to love you If you just let me show you girl, no one'□□s above you Don'□□t care what anybody says, we'll make it happen Just need a little time and I promise you, baby One more day to know you better And I know for sure, that it could be easier Ah, yeah it could be easier Am C Ah, whoa A couple thousand ways we could Hold each other like we should Come closer now baby, one kiss and you'□□ll save me The stars are lighting up for us Don't think about it way too much Just follow my lead, I'll make you believe One more day to know you better Am And I know for sure That it could be easier It could be you and me girl It don't have to be so complicated (yeah) It could be easier It could be you and me girl It could be you and me forever (if you leave with me) It could be easier
