

Gabriel Blondet - Still Miss You

Tom: D

(forma dos acordes no tom de Db)
Capostrate na 1ª casa

You've been gone for so long
 And it hurts me just to hear you say
 I'll be back home in just a few days
 What happened to those sleepless nights?
 And all of the memories that we made
 Should I keep myself awake?
 Am I still the man that takes your breath away?

Baby, you're the reason why
 I lie and stay awake all night
 It's hard to say that I'm okay
 Cause baby I still miss you

I'm staring at a million stars
 They feel so close when you're so far
 It's hard to know that I'm alone
 Cause baby I still miss you

Oh oh whoa oh
 Oh oh whoa oh
 Oh oh whoa oh ooh

Thinking 'bout what could've been
 It doesn't have to be this way
 Don't know how to fight something I can't blame
 Reading all the notes you left
 Some things are better left unsaid
 If only you were here tonight

You'd realize how you light up my life

Baby, you're the reason why
 I lie and stay awake all night
 It's hard to say that I'm okay
 Cause baby I still miss you

I'm staring at a million stars
 They feel so close when you're so far
 It's hard to know that I'm alone
 Cause baby I still miss you

Oh oh whoa oh
 Oh oh whoa oh
 Oh oh whoa oh ooh

It's hard to forget you

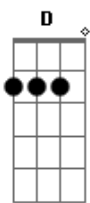

Don't want to deny you
 So baby come with me
 I'm waiting

Baby, you're the reason why
 I lie and stay awake all night
 It's hard to say that I'm okay
 Cause baby I still miss you

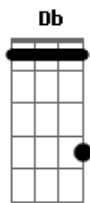

I'm staring at a million stars
 They feel so close when you're so far
 It's hard to know that I'm alone
 Cause baby I still miss you

Oh oh whoa oh
 Oh oh whoa oh
 Oh oh whoa oh ooh
