War is over!

Db

But I still hear the crack of machine guns

Fm

The party has just begun

Db

And I already see what people have become

[Guitar Riff]

Fm

The night is colder!

Db

And now I'm feeling the burden in my arms

Fm

I should be the only one

Db

To face this fight, stand my ground, and never run

"Perhaps you'd like to know  
What an American reporter thinks about  
On his last night in London

Db

Three years ago tonight, I also saw New York  
With a vague feeling that European history  
Was about to burst from its own centrifugal force  
And I wanted a close-up view."

Be the last soldier!

Db

No matter how you fall, you'll rise, you'll fight to win

Fm

Haunting memories

Db

Don't let them change who you are or what you see
