

# Gabriel Gonçalves - Ony Live Once

tom:

Intro: **Dm** **Dm**

I don't mean...what you can do

I only see...what the best for you

But I know...it's not just up to me

You're the only one...you can be

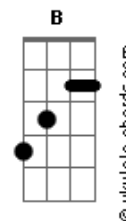

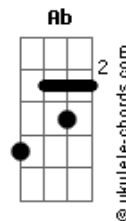

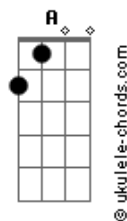

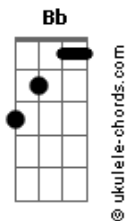

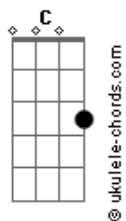

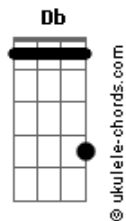

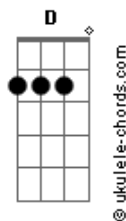

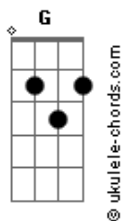

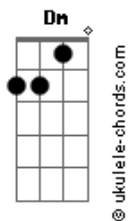

Take your things...and let's go round

Don't forget...you should be proud

You only live...once in this life!

[Solo 1] **Dm G Dm A G Dm**

## Acordes

**Dm**  
I don't want...to be so cruel

But sometimes... I'm so misunderstood

But you know... It's just you and me

We don't care...we want to be free!

We'll fly away and...blow up our mind

It doesn't matter...we don't need to be kind!

We only live...once in this life!
