

# Gabriel Gontijo - Brown Eyes

Tom: G

I'm trying<sup>G</sup> to understand  
 How fast my heart has falling in love<sup>C</sup>  
 For you,<sup>D</sup> for you<sup>C</sup>  
 It's been a long time since I am<sup>G</sup>  
 Looking for the other part<sup>C</sup>  
 Of my soul, brown eyes<sup>D</sup> <sup>C</sup>  
 I can?t hide<sup>Em</sup> <sup>D</sup>  
 It?s just all over my face<sup>C</sup>  
 Brown eyes<sup>G</sup> <sup>D</sup>  
 All my heart for you<sup>Em</sup>  
 For you<sup>C</sup>

Brown eyes<sup>G</sup> <sup>D</sup>  
 The sun is shining for our love<sup>Em</sup>  
 Our love our love<sup>C</sup>  
 The promises I made<sup>G</sup>  
 In that night were real<sup>C</sup>  
 While we made cloud forms<sup>G</sup>  
 I named the brightest star<sup>C</sup>  
 Mary Mary<sup>D</sup>  
 I can?t hide<sup>Em</sup> <sup>D</sup>  
 It?s just all over my face<sup>C</sup>  
 I can?t hide<sup>Em</sup> <sup>D</sup>  
 It?s just all over my face<sup>C</sup>
