

Gabriel Gontijo - Brown Eyes

Tom: G

I'm trying^G to understand
 How fast my heart has falling in love^C
 For you,^D for you^C
 It's been a long time since I am^G
 Looking for the other part^C
 Of my soul, brown eyes^D
 I can?t hide^{Em}
 It?s just all over my face^D
 Brown eyes^{Em}
 All my heart for you^C
 For you

Brown eyes^G
 The sun is shining for our love^D
 Our love our love^{Em}
 The promises I made^G
 In that night were real^C
 While we made cloud forms^G
 I named the brightest star^C
 Mary Mary^D
 I can?t hide^{Em}
 It?s just all over my face^D
 I can?t hide^C
 It?s just all over my face^{Em}
 I can?t hide^D
 It?s just all over my face^C
