

# Gabriel Nandes - A Gente Samba

Tom: F

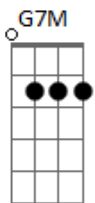

Te ver passou a ser necessidade **F7M** **G7M** **C7M**  
**F7M** **G7M**  
 Não dá pra continuar assim  
**Em7** **Am**  
 Sem você me tocando  
**F7M**  
 Me tirando o ar  
**Fm**  
 Pondo em prática  
**C7**  
 Nossas conversas na madrugada  
**C7M**  
 Como se não houvesse  
**F7M**  
 Hora pra acordar  
**Fm**

Só pra relaxar  
**D7** **F7M**  
 Mania de nós dois, não dá pra controlar  
  
 Eu fico louco só de imaginar **F7M**  
**G7M** **Am7**  
 Quando a gente se encontrar  
**F7M**  
 Angústia desse tempo não passar  
**G7M** **C7M**  
 E eu poder te respirar  
**C7** **F7M**  
 Meu paraíso é em qualquer lugar  
**G7M** **C7M** **Am7**  
 Que você esteja e a gente possa se amar  
**F7M**  
 E ai de quem não concordar  
**G7M** **C7M**  
 A gente dança, a gente samba
