

# Gabriela Ferri - Fiori Trasteverini

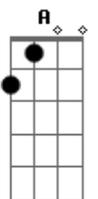

tom:  
 Intro: D  
 De Roma nostra semo li muretti  
 Semo romani e'n più trasteverini  
 Ma no pe' disse semo li più perfetti  
 Cantamo tutti e semo ballerini  
 Se dice gente allegra dio l'aiuta  
 E a noi c'ajuta e voi sapè perchè  
 Ogni tanto na mangata e na bevuta  
 E tutto quanto er resto viè da se  
 Semo romani, tresteverini  
 Semo signori senza quatrini  
 Er core nostro ch'è na capanna

Core sincero che nun t'inganna  
 Se stai in bolletta noi t'aiutamo  
 Però da micchi nun c----e passamooo  
 Noi semo mangiatori de spaghetti  
 Delle trasteverine li galletti  
 Roma bella, Roma mia  
 Te se vonno portà via  
 Er Capitoio co' Sampietro  
 Se vorrebbero comprá  
 Qui se vonno é comprá tutto  
 Pure il cie--elo e l'aria fresca  
 Ma la fava romanaesca  
 La potemo arigalà
