

Gabrielle Aplin - Evaporate

Tom: E
Intro: (E E E A E)2x

E A E
Flesh and bone wrapped up in skin
E A Dbm
Kept alive by oxygen
Dbm A (E E E A E)
But right now breathing is so tough.

E A E
They say they know what I can feel
E A Dbm
And time will find a way to heal
Dbm A E E E
But right now time is not enough.

Dbm A
But then I feel you soaking in
E B
I can feel the blood rushing again

Dbm A E
When it?s too hard and too late,
B Dbm
When I?m too tired to run away
A E
When it cant stay the way it was,
B Dbm
I need you ?cause
A E
You smash the trouble I can?t take
B Dbm
And all the pieces of the break
A E B
Evaporate, evaporate, evaporate

E A E
I don?t know how the words you say
A Dbm
Hold a thousands times more weight
A E
Than any word I?ve heard before.

Dbm A
But then I feel you soaking in,
E B
I can feel the blood rushing again
Dbm A E B
Through my veins, I can feel the pulse begin to race

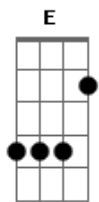

Dbm A E
When it?s too hard and too late
B Dbm
When I?m too tired to run away
A E
When it can?t stay the way it was
B Dbm
I need you ?cause

A E
You smash the trouble I can?t take
B Dbm
And all the pieces of the break
A E B
Evaporate, evaporate, evaporate

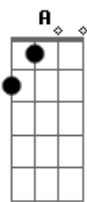

Dbm A E B
Fly, fly, make them fly away
Dbm A E B
Fly, fly, watch them fly away

Dbm A E
When it?s too hard and too late
B Dbm
When I?m too tired to run away
A E
When it can?t stay the way it was,
B Dbm
I need you, ?cause
A E
You smash the trouble I can?t take
B Dbm
And all the pieces of the break
A E B Dbm
Evaporate, evaporate, evaporate
A E B
Evaporate, evaporate, evaporate
