I'm a phoenix in the water

A fish that's learnt to fly

And i've always been a daughter

But feathers are meant for the sky

So I'm wishing, wishing further

For the excitement to arrive

Than laying at the sharp end of this knife

With every small disaster

I'll let the waters still

Take me away to some place real

'Cause they say home is where your heart is set in stone

Is where you go when you're alone

Is where you go to rest your bones

As long as we're together, does it matter where we go?

So when I'm ready to be bolder,

And my cuts have healed with time

Comfort will rest on my shoulder

And I'll bury my future behind

I'll always keep you with me

You'll be always on my mind

But there's a shining in the shadows

I'll never know unless I try

With every small disaster

I'll let the waters still

Take me away to some place real

'Cause they say home is where your heart is set in stone

Is where you go when you're alone

Is where you go to rest your bones

As long as we're together, does it matter where we go?
