

# Gabrielle Aplin - In Your Arms

Tom: C  
Intro: F C F

You may say I'm lucky to be traveling C F  
 And that California makes you smile C F  
 But I spend most of my time waiting Am  
 For then to kill the sound and dim the lights C F  
 You may say that everyplace is different C F  
 That you're just stuck where you are C F  
 But to me the only thing that changes F G

Are the faces I listen in the dark C Dm  
 Say what you want Am F  
 I'm safe in my lover's arms C G F  
 But I'm always leaving the best things behind C Dm Am F  
 Oh how I long for those late nights in London C Am  
 I searched the world over F  
 But still I can't find Dm  
 A better place than in your arms F C  
 I wish that I was in your arms tonight
