

# Gabrielle Aplin - Letting You Go

Tom: D

Intro: Bm A D G

Sometimes I wake up thinking about you  
 Sometimes I just don't wake up at all  
 I wish you were the one  
 That I can't live without  
 But I'm cold, I'm cold  
 I know that you won't break me to pieces  
 But sometimes that is just what I need  
 'Cause I won't know I'm wrong  
 'Til I'm shown what I've done, but that's me

The only thing I control is the ache in my soul  
 I've got nothing to say  
 It's already too late  
 I've got this feeling  
 I really should be leaving now  
 But I can't believe I'm letting you go  
 Maybe there's no reason at all  
 For everything you never did wrong  
 I can't believe I'm letting you go

Was it everything that you never said ?  
 I swear I had it right in my head  
 I can't believe I'm letting you go  
 I can't believe I'm letting you go  
 G Bm D A (x2)

The harder you hold  
 The higher you go  
 The further you fall  
 Breaking your bones  
 It's time to let go

The harder you try to follow the light  
 The brighter it shines  
 Burning your eyes  
 It's time to let go (x3)  
 (single strum)  
 But I can't believe I'm letting you go  
 Maybe there's no reason at all  
 For everything you never did wrong  
 I can't believe I'm letting you go
