

Gabrielle Aplin - Light Up The Dark

Tom: D
Intro: Bm E Em Bm

Verse 1:

Bm E I don't have to mention that I saw you today
Em Bm I shone the sun into your eyes
Bm E And you don't always have to question why there's pleasure in pain
Em Bm Cos there's no truth for you to find
Bm E I'm drawing perfect circles round the life that we could share
Em Bm And what is ours, is ours to keep
Bm E I know the thing you want the most, you hide it over there
Em Bm Safe at the dark end of the street

Chorus

Bm When the devil's waiting
A E Down by the river calling out
A G I wanna be the one to light up the dark in you
Bm A E And when the flood is over and all the love is pouring out
A G I wanna be the one to light up the dark in you
Bm Light up the dark in you
A Light up the dark in you
G E Oh, light up the dark in you

Verse 2:

Bm E There's so little I'm afraid of when it comes to an end
Em Bm But I can't leave you on your own
Bm E When the chaos turns to silence and your enemies your friends
Em Bm I will roll away the storm

Chorus

Bm When the devil's waiting
A E Down by the river calling out
A G I wanna be the one to light up the dark in you
Bm A E And when the flood is over and all the love is pouring out
A G I wanna be the one to light up the dark in you
Bm Light up the dark in you
A Light up the dark in you
G E Light, light up the dark in you
Bm Light up the dark in you
A Light up the dark in you
G E Light, light up the dark in you

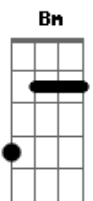

Bm
Ooh... (x8)

Bm When the devil's waiting
A E Down by the river calling out
A G I wanna be the one to light up the dark in you
Bm A E And when the flood is over and all the love is pouring out
A G I wanna be the one to light up the dark in you
Bm And when the devil's waiting
A E Down by the river calling out
A G I wanna be the one to light up the dark in you
Bm A E And when the flood is over and all the love is pouring out
A G I wanna be the one to light up the dark in you
Bm Light up the dark in you
A Light up the dark in you
G E Light, light up the dark in you
E Light up the dark in you
