Tom: A
Intro: D
Gbm E
A
Bm

[Verse]
So what you been doing?
I've been loving my life waking up on my own
Are you doing the same thing?
You can say if you like but I don't need to know
And I, I've been wondering why we've been wasting all this time

[Verse]
So what you been doing?
I thought that I saw you I guess I was wrong
Are you doing the same thing?
Convincing yourself that you're better alone
And I, I've been wondering why we've been wasting all this time
Then you tell me that you miss me and I'm like

[Chorus]
Oh God, I miss you too its all I ever do
I'm coming back to you and I won't let go
Oh God, I miss you too we got making up to do
I'm coming back to you and I won't let go again
Oh, I won't let go again

[Verse]
D

So what were we thinking?
You got me a cab and we said we were done
And I thought I was fine
But the days were so long and they rolled into one
And I, I couldn't believe you were taking it in your stride
And then you tell me that you miss me and I'm like

[Chorus]
Oh God, I miss you too its all I ever do
I'm coming back to you and I won't let go
Oh God, I miss you too we got making up to do
I'm coming back to you and I won't let go again
Oh, I won't let go again

[Bridge]
Will you be my best friend? Will you be my last?
I need somebody who can love me like that
Will you be my best friend? Will you be my last?
I need somebody who can love me like that

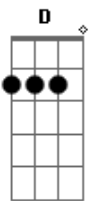

[Chorus]
Oh God, I miss you too its all I ever do
I'm coming back to you and I won't let go
Oh God, I miss you too we got making up to do
I'm coming back to you and I won't let go again

[Outro]
Oh, I won't let go again
No and I won't let go again
