[Verse 1]

F C Am G F  
Summer comes, winter fades,

Here we are, just the same,

We don't need pressure, we don't need change,

Let's not give the game away.

F C Am G F  
There used to be an empty space,  
C Am G F  
A photograph without a face,  
C Am G F F  
But with your presence and your grace,  
C Am G F F F  
Everything falls into place.

[Chorus]

F C  
Just please don't say you love me,  
G Am  
'cause I might not say it back,  
F C G  
Am  
Doesn't mean my heart stopped skipping when you look at me  
like that.  
F C G Am  
There's no need to worry when you see just where we're at.  
F C  
Just please don't say you love me  
G F C Am G F C Am G  
'cause I might not say it back.

[Verse 2]

F C Am G F  
Heavy words are hard to take,  
C Am G F  
Under pressure, precious things can break,  
C Am G F  
And how we feel is hard to fake,  
C Am G F F  
So let's not give the game away.

[Chorus]

F C  
Just please don't say you love me,  
G Am  
'cause I might not say it back,  
F C G

Doesn't mean my heart stopped skipping when you look at me  
like that.  
F C G Am  
And there's no need to worry when you see just where we're at.  
F C  
Just please don't say you love me  
G Am  
'cause I might not say it back.

Fools rush in.

And I've been the fool before,

'cause I think this could be more,

The thing I'm looking for.
