

# Gabrielle Aplin - Shallow Love

Tom: Eb

(com acordes na forma de Capostraste na 3ª casa C )

C  
I think I think too much  
F C  
I think we know too much  
Am F C  
Every time I'm pushing past I'm led right in  
C  
I'm in a photograph  
F C  
Why different people pass  
Am F C  
I'm looking out and they just stare right in

Ponte:

G F  
I've been looking for a moment to say a line  
G F  
But I just end up with nothing

Refrão:

C F Am  
Give me a reason to let you go  
F F C  
Cause I am drowning in your shallow love  
C F Am  
Give me a reason, won't you let me know?  
F F C  
This heart of mine is sinking like a stone  
C F Am  
Shallow love, let me go  
F F C  
Shallow love, let me go

( C F Am F F C )

Verso:

C  
I try to wind it off  
F C  
I think I've said enough  
Am F C  
Don't you think it's time that you go take your turn?  
C  
Maybe I'm wasting time  
F C  
My emotion's paralyzed  
Am F C  
And I don't even hear you when you're crying out loud

Ponte:

G F  
I'm always waiting for someone to start a fight  
G F  
But I just end up with nothing

Refrão:

C F Am  
Give me a reason to let you go  
F F C  
Cause I am drowning in your shallow love  
C F Am  
Give me a reason, won't you let me know?  
F F C  
This heart of mine is sinking like a stone  
C F Am  
Shallow love, let me go  
F F C  
Shallow love, let me go  
C F Am  
Shallow love, let me go  
F F C  
Shallow love, let me go

G

I never feel the wanting  
F  
I never feel the needing  
Am C  
Give me a reason to follow, follow  
G  
I'm starting running to you  
F C  
I'm tired of asking again and again, again and again

Refrão:

C F Am  
Give me a reason to let you go  
F F C  
Cause I am drowning in your shallow love  
C F Am  
Give me a reason to let you go  
F F C  
Cause I am drowning in your shallow love  
C F Am  
Give me a reason, won't you let me know?  
F F C  
This heart of mine is sinking like a stone  
C F Am  
Shallow love, let me go  
F F C  
Shallow love, let me go  
C F Am  
Shallow love, let me go  
F F Am
